

Iowa Substance Abuse Information Center

Change in Hours and Staff

Due to funding cuts, ISAIC has had to make some changes. On Monday and Wednesdays, the office will be open from 8am to 5pm (walk-in availability starts at 9am) and 8am to 4pm (walk-in availability starts at 9am) on Tuesdays and Thursdays. The office will be closed on Fridays.

The Help Line will continue to be available 24/7, through our partnership with Foundation 2. Materials can still be reserved online at the ISAIC website, www.drugfree.info.org.

Sue Stannard has resigned from her position as ISAIC's program manager.

ISAIC will continue to be your resource for addictions related information. So, please keep those calls, emails and faxes coming our direction!
